

Finding Means (6.8.C.9.4)

Illustrative Mathematics

9.4: Finding Means

1. Last week, the daily low temperatures, in degrees Celsius, were 5, 8, 6, 5, 10, 7, and 1. What was the average low temperature? Show your reasoning.
2. The mean of four numbers is 7. Three of the numbers are 5, 7, and 7. What is the fourth number? Explain your reasoning.
