

Hook sentence
(where was Otzi discovered, how was he found)
(How old was he.... How do they know this)
(what are some of the things that were found on or near him)
YOUR claim (Otzi the Iceman died by ...)

State a point to support your claim
Give evidence to support your claim
Cite evidence to support your claim

Second example to support your claim

State a point to support your claim
Give evidence to support your claim
Cite evidence to support your claim

Third example to support your claim

State a point to support your claim
Give evidence to support your claim
Cite evidence to support your claim

Conclusion paragraph

Re summarize the issue
Restate your first example
Restate your second example
Restate your third example
Restate your claim

NOTE: RESTATE MEANS USE DIFFERENT WORDS... NOT JUST WRITE IT AGAIN

Remember this is not the rule to writing an argument essay but it is an outline of what needs to be present in the essay.

Sometimes the counterclaim can be first before stating evidence to your claim.
