

Small and Large (6.3.D.12.5)

Illustrative Mathematics

12.5: Small and Large

Complete the statement with a situation and a unit of your choice. Then answer the question and draw a diagram.

A small _____ holds 75% as much as a large _____.

1. If the small holds 36 _____, how much does the large hold?

2. Draw a diagram to illustrate your answer.
